

Instructions to post for sale/wanted items.
Only Billiard related items will be posted.

Email to scgbilliards@gmail.com your name and email address, and if you like your phone number (Remember if you do not answer phone calls you don't know, then don't include your phone number).

Give us a brief description of what it is you are selling or looking for and attach pictures if you like. We will create a PDF file to upload to the website. If you want to create your own PDF than send that to email address.

Please let us know when the item has been sold/purchased so we can remove it from the website. We may remover listings after 6 months automatically. This is a volunteer service so please give us time to post your request.
